SUCCESS

STARTS 7TH NOV 2020

Achieving Your full potential

Aimed at young people aged 14 -18. Participants are invited to join this new and innovative programme that mixes sport and supported study. Sessions will run on Saturdays 10:00-13:00hrs. Academic support will be on hand to provide advice and guidance by a teacher with 25 years' experience. Bring your homework and get some help and encouragement or further develop your skills in a re-assuring environment.

1 1/2 hour will be spent in our computer equipped classroom, followed by a 1-hour Basketball session. Students will be mentored and their progress regularly reviewed. Funding from Social Enterprise Support Fund, distributed by Big Issue Impact, has helped us to provide our Leap to Learn Study Club Support program. Thanks to National Lottery players for making this possible. **For more info email**
